

| Focus from 2016/17 School Improvement Plan | Governor impact in 2016-2017 |
|--|---|
| <p>Focus Embedding of high quality assessment practices and measuring their impact on planning, teaching and learning</p> | <p>Support Challenge</p> <p>Governor activities:</p> <ul style="list-style-type: none"> • Monitoring the implementation of a new system of moderation • Evaluating and questioning the impact of possible new assessment systems proposed by SLT • Supporting the introduction of GL Assessment tests and monitoring their 'fit' within existing school assessment approaches • Securing regular updates on the progress of PP children • Where gaps/improvement needs were identified, governors targeted questions to SLT around interventions to close these gaps. Governors secured updates on the effectiveness of these interventions • Book scrutiny to evaluate the embedding of marking and feedback policies • School visits, learning walks and teacher conferencing to ensure key information on policies and strategy implementation is cascaded • Supporting SLT through discussion of issues with the implementation of new assessment practices. Clarifying next steps and ongoing improvements |
| <p>Focus Consistency of teaching across the school</p> | <ul style="list-style-type: none"> • Supporting the development of the three questions as the centre of the school vision • Questioning SLT and staff around the use of the three questions in classrooms • Exploration of the impact of these questions in classroom and on children's learning • Seeking information from SLT about the continued effectiveness of the FFT progress measures • Getting updates from staff on the outcomes of teaching observations across the school |

| | |
|--|--|
| | <ul style="list-style-type: none"> ● Exploring (through discussion) ways to support teachers to develop their practice within the school ● Monitoring the implementation of a new system of staff target setting and appraisal throughout the school ● Receiving evaluations of teaching and learning at the school from external visits and prompting the implementation of required changes to address any issues they raised ● Supporting the recruitment of new members of teaching staff |
| <p>Improve outcomes for pupils</p> | <ul style="list-style-type: none"> ● Data scrutiny, questioning around the needs specific groups of children ● Ensuring that changes and interventions are in place to respond to any needs highlighted through data scrutiny ● Ensuring that SLT are holding teachers to account for the outcomes of pupils in their class ● Supporting SLT to put in place measures to support SEN children through a change of SENDO |
| <p>Work and impact of leadership and management at all levels</p> | <ul style="list-style-type: none"> ● Supporting the re-structuring of staff management structures to make way for the recruitment of middle leaders ● Receiving reports from external auditors and supporting SLT to commission audits when needed ● HT appraisal ● Surveying staff opinion around the impact of leadership and their recognition of improvement in leadership performance ● Securing updates on implementation of safeguarding policies and procedures ● Supporting the recruitment of middle leaders ● Questioning around SLTs leadership of staff through a time of change |
| <p>Developing and embedding effective learning behaviours across the school</p> | <ul style="list-style-type: none"> ● Developing the school vision to ensure clarity and common understanding ● Supporting the recruitment of a new SENDO to support specific children ● School visits and learning walks to see children's behaviour for learning in classroom settings ● Receiving reports from external |
