

# Ottery Primary School Newsletter

15<sup>th</sup> October 2018

## Parking:

We have received concerns from a range of sources, including our own parents and our neighbours, about dangerous parking around the school at the beginning and the end of the school day. While we as a school have no powers of enforcement in this area, we would ask you to consider how vital it is to drive to school rather than walk which is not only a healthier option but would cut down on the amount of traffic in and around Longdogs Lane. The safety of our children, families and neighbours is of paramount importance to us but we will all need to work together as a school community to address this issue.

## MTAs:

We have appointed three MTAs to support in our lunchtime provision. They will all be starting after half-term and I would like to offer them a warm welcome to the Ottery team. Sadly though, we are saying goodbye to Hayley Welsford who has been an amazing MTA for us for many years. Hayley, you will be sorely missed when you go at the end of this week and we'd all like to thank you for all the support you have given to the children of the school.

## Lost Property:

The Lost Property boxes will be sorted at the end of this week and un-named items will be disposed of. There have been weekly reminders about this in the newsletter so please do encourage your children to check the boxes, or have a look yourself before Friday. Please do check through the lost property boxes for any items that your child may have mislaid in school. Named items are much easier to find. We are currently starting up our Green Team and one of their key roles will be to reunite named clothing with its owners before disposing of un-named items. Please be sure not to lose out by not naming clothing.

## Safeguarding Factsheet – Fortnite:

Fortnite is an online video game where players compete to be the last person standing in a post-apocalyptic world. The most popular version is Fortnite: Battle Royale, which sees up to 100 players pitted against each other to stay alive on an island. Players can build and demolish structures, and collect weapons, supplies and armour to help them along the way.

Players shoot each other using a range of lethal weapons, but the brightly-coloured, cartoon-style graphics and lack of bloodshed mean it doesn't feel too gory or graphic.

To play, the age recommendation is **12 and above** due to 'mild violence', although you don't have to provide your age when creating an account, so younger children can still log on easily.

Fortnite: Battle Royale is **free to download** on PC/Mac, Xbox, Playstation, Nintendo Switch and iOS devices (Apple phones and tablets). It's coming to Android soon.

It has about 45 million monthly users worldwide including the England football team, who reportedly played it in their World Cup downtime.

## What are the concerns?

You may have seen news reports or heard concerns raised about the:

- **Communication between players:** a chat function allows players to talk to each other either over a headset and microphone, or using messaging. Children could use it to speak to strangers, or it could put them at risk of cyberbullying
- **In-app purchases:** players can build up large bills on their parents' accounts by buying cosmetic items like outfits for your character and better-looking weapons (otherwise known as 'skins')
- **Addictive nature of the game:** anecdotal stories tell of children staying up all night to play, or falling asleep in lessons after playing for too long. Some commentators attribute this to the communal feel of the game – you can play with your friends – and the game is different every time you play, keeping it fresh

## What safety options are available to parents?

### Use the parental controls on the gaming device

Most devices allow you to **set time limits** on game play, **set age limits** for content, and **restrict in-app purchases**.

Visit the website 'ask about games' for links to detailed instructions on the device your child uses – the site covers Playstation 3, Playstation 4, Xbox 360, Xbox One, Apple and Android phones, and Nintendo Switch.

The battles in Fortnite last around 20 minutes. When trying to limit your child's screen time, make the most of this natural stopping point. Set a limit in terms of matches rather than hours and minutes, or set time limits in 20 minute increments.

### Turn off the voice chat feature

Speak to your child to make sure they know this feature exists, and encourage them to use the options below if they encounter someone who is offensive or inappropriate.

You can disable the voice chat function in the game if you:

- Open the settings menu (the 3 lines on the right-hand-side of the screen), then choose the 'cog' icon
- Select the 'audio' tab
- You should be able to turn off 'voice chat' by tapping the arrows next to it

You can also 'mute' individual players in the game by:

- Pausing the game
- Hovering over the player you wish to mute
- Selecting the mute button (a loudspeaker icon)

### Make sure your child knows how to report inappropriate behaviour

You or your child can report players who make them uncomfortable using the in-game feedback tool (located in the main menu).

You can also use the 'support' section of the Epic Games site (the makers of Fortnite). You're asked to select the platform you play the game on, the game mode you're playing, and then you can select 'report player'. You can provide more detail such as the player's name, and attach a screenshot.

## What else can I do?

### Further tips

- Download and play the game to help you understand it
- Talk to your child about what they're doing online, and make sure they know they can talk to you about anything that has upset them
- Check your bank statements and gaming system account balance regularly to look for in-app purchases you're not happy with, and to make sure your child isn't getting around any passwords you've set up

## Tar Barrels Carparking:

Are you able to spare a couple of hours on tar barrels evening to help with carparking. The PTA is joining forces with the Scouts to provide this valuable service for our main event, but we do need some more volunteers. If you are able to help, or want more information, please speak to Sarah in the office, thank you.
