Environmental Health visit:

We received an unannounced visit from Environmental Health last week to inspect our kitchen and meals service. I am delighted to say that we maintained our top rating of 5 stars and received excellent feedback that the standard and quality in our kitchen goes above and beyond what is necessary. Indeed, the inspector commented that, 10 years after the kitchen opened it still looks and feels like a brand new kitchen. I'm sure you'd like to join me in thanking and congratulating Kimberley and all of her team for their hard work and impeccable standards.

Dates for the diary:
