## School Meals:

We will be outsourcing our school meals service during the summer term. While we have always taken pride in the school meals service that we have provided for the children, increasing pressures on school budgets and staffing changes in our kitchen means that now is the time to take a new direction. We have carried out a detailed tendering process and have selected Dolce Schools Catering as our new catering provider.

Dolce are a family run, award winning catering company who have built a strong reputation. There will be further information coming out in the coming days and weeks. In the meantime, you can find details on the company, samples of their menus and parent pay systems by following this link:
