Safe Parking

We continually receive concerns from parents and neighbours about the dangerous parking around the school which puts the safety of pedestrians, many of whom are children, at risk. We are keen to reiterate what a serious issue this is especially as we head towards the darker, winter months. While the school has no jurisdiction over its surrounding streets we absolutely want to promote the safety of everyone around the school site.

PLEASE PARK WITH CONSIDERATION

NOBODY SHOULD BE FORCED OUT INTO THE ROAD

Living Streets is the UK charity for everyday walking. We want to create a walking nation, free from congested roads and pollution, reducing the risk of preventable illness and social isolation and making walking the natural choice. We believe that a walking nation means progress for everyone.
