

Ottery Primary School Newsletter

9th December 2019

Parking

Could we please, once again, respectfully ask that all those who choose to drive to school to be considerate in how and where they are parking? The safety of pedestrians travelling to and from school as well as respecting our neighbours access to their property

Toys in Key Stage 2

We have been seeing a creeping increase in the amount, size and value of toys that children are bringing into school across Key Stage 2. Unfortunately this is also leading to issues around who can play with toys, when it is appropriate to have them out and also who is responsible for any damage that occurs.

From the start of the spring term 2020 we will not allow children in Key Stage 2 to bring toys into school as they are proving such a distraction. Please support the school in this and do not send toys in with your children after Christmas. If any children do bring in toys, they will be stored away by staff until their parents can collect them. This extends to collectible toys and games such as Match Attax and Pokemon cards as well.

Many thanks for your support with this

Honiton Rugby Club

After the success of the previous taster sessions, there will be a further taster session on the 5th of January 2020 at 10.00 am at Honiton Rugby Club. The club are looking to attract children from years 2, 3 and 4 in particular to continue to build these team numbers. Further details are provided below

Christmas Jumper Day

Don't forget that we are raising money for Save the Children this Friday 13th December by supporting Christmas Jumper Day. Children are invited to come to school dressed in their favourite festive jumpers – normal uniform on the bottom half please! Please note that biscuits will not be on sale – there was an error in the original letter, apologies! Suggested donation of £1 per child, but anything you can manage would be gratefully received, thank you.
