

# Roots & Shoots

Stay and play toddler group

## Welcome to Roots And Shoots!

We're so glad you're here. Please take a moment to read the reminders below to help us keep everyone safe and comfortable during the session.

### Toilet Access

If you or your child needs the toilet, please speak to a member of staff who will open the swimming pool toilets for you.

Children must be closely supervised at all times when near the swimming pool area.

### Phones & Photos

To help create a calm and focused environment:

- Please avoid using your phone during the session.
- No photos or videos are to be taken at any time.

### Snack Safety – Allergy Aware

Please do not bring any snacks containing nuts or sesame. We aim to keep all children safe in our setting. Thank you for supporting our allergy policy.

### Muddy banks

Please be aware that parts of the forest school are very steep and slippery. We aim to keep as much of the session in the allotment area as possible to avoid these banks.

### Gate Access

For security the gates will remain locked during the session and re-open at 3:20pm.
